

2010 Resources Rising Stars Video Presentation

Hot Chili is pleased to provide access to Managing Director Christian Easterday's recent presentation at the Resources Rising Stars conference last week on the 29th of September.

The video presentation outlines the company's advanced uranium-copper-gold projects in Chile and the company's progress since listing on the ASX in early May of this year. In particular, the presentation gives an insight into the company's strategy at each of its advanced projects and details the objectives of the current 26,000m drilling programme which is underway.

The presentation can be accessed via the boardroom radio website or also through Hot Chili's website.
