Hot Chili Closes A\$24.9 Million Private Placement and Announces Full Underwriting of A\$5 Million Share Purchase Plan

Positioning for Near-Term, Meaningful, Copper Production

Hot Chili Limited (ASX: HCH) (TSXV: HCH) (OTCQX: HHLKF) ("Hot Chili" or the "Company") is pleased to announce that it has closed its previously announced private placement (the "Placement") to institutional, professional, and other investors consisting of the issue of 24,900,000 new fully paid ordinary shares ("Shares") at an offer price of A\$1.00 (C\$0.89) per Share for aggregate gross proceeds of approximately A\$24.9 million (or approximately C\$22.2 million).

Veritas Securities Limited and Cormark Securities Inc. acted as joint lead managers (together, the "JLMs") and BMO Capital Markets and Beacon Securities Limited acted as co-managers to the Placement.

Proceeds from the Placement and the SPP Offer (each as further described below), in addition to existing treasury, will provide up to 18 months funding to be used for the completion of the Costa Fuego Pre-Feasibility Study, completion of the Water Supply Business Case Study, completion of the Costa Fuego Environmental Impact Assessment, ongoing exploration, drilling and consolidation activities, and for general working capital purposes.

Details of the Placement

The Placement was completed under an offer to investors who qualify as professional or sophisticated investors under section 708(8), (10) and (11) of the *Corporations Act 2001* (Cth) for aggregate gross proceeds of A\$17,150,000 from the sale of 17,150,000 Shares, and by way of private placement in reliance on the "listed issuer financing exemption" from the prospectus requirements available under Part 5A of National Instrument 45-106 – *Prospectus Exemptions* (the "LIFE Offering") in each of the provinces and territories of Canada, other than Quebec, and other permitted jurisdictions, for aggregate gross proceeds of C\$6,897,500 (A\$7,750,000) or 7,750,000 Shares.

The Shares under the LIFE Offering were also sold in the United States pursuant to exemptions from the prospectus registration requirements of the United States Securities Act of 1933, as amended, ("1933 Act"), and applicable U.S. state securities laws, and in those other jurisdictions outside of Australia, Canada and the United States provided that no prospectus filing or comparable obligation, ongoing reporting requirement or requisite regulatory or governmental approval arises in such other jurisdictions.

The Shares issued under the Placement are not subject to a hold period pursuant to applicable Canadian securities laws. The Placement remains subject to the final acceptance of the TSXV.

The Company paid to the Agents a cash commission equal to 6.0% of the gross proceeds of the Placement and, subject to the approval of Hot Chili shareholders in accordance with ASX Listing Rule 7.1, will issue to the Agents such number of non-transferable and unlisted options in the Company (the "Broker Options") as is equal to 6.0% of the number of Shares issued under the Placement. Upon issuance, each Broker Option will be exercisable to acquire one Share at a price of A\$1.50 per Share on or before the date that is 24 months following the date of issue of the Broker Options.

Forward Looking Statements

This news release contains certain statements that are "forward-looking information" within the meaning of Canadian securities legislation and Australian securities legislation (each, a "forward-looking statement"). Forward-looking statements reflect the Company's current expectations, forecasts, and projections with respect to future events, many of which are beyond the Company's control, and are based on certain assumptions. No assurance can be given that these expectations, forecasts, or projections will prove to be correct, and such forward-looking statements included in this news release should not be unduly relied upon. Forward-looking information is by its nature prospective and requires the Company to make certain assumptions and is subject to inherent risks and uncertainties. All statements other than statements of historical fact are forward-looking statements. The use of any of the words "advance", "believe", "complete", "could", "create", "estimate", "expect", "fully funded", "growth", "may", "plan", "project", "should", "will", "would", variants of these words, and similar expressions are intended to identify forward-looking statements.

The forward-looking statements within this news release are based on information currently available and what management believes are reasonable assumptions. Forward-looking statements speak only as of the date of this news release. In addition, this news release may contain forward-looking statements attributed to third-party industry sources, the accuracy of which has not been verified by the Company.

In this news release, forward-looking statements relate, among other things, to: the use of proceeds from the Placement and the SPP Offer, the Company's ability to obtain all regulatory approvals, and timing and ability to complete the SPP Offer.

Forward-looking statements involve known and unknown risks, uncertainties, and other factors, which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. A number of factors could cause actual results to differ materially from a conclusion, forecast or projection contained in the forward-looking statements in this news release, including, but not limited to, the following material factors: obtaining all regulatory approvals; operational risks; risks related to the cost estimates of exploration; sovereign risks associated with the Company's operations in Chile; changes in estimates of mineral resources of properties where the Company holds interests; recruiting qualified personnel and retaining key personnel; future financial needs and availability of adequate financing; fluctuations in mineral prices; market volatility; exchange rate fluctuations; ability to exploit successful discoveries; the production at or performance of properties where the Company holds interests; ability to retain title to mining concessions; environmental risks; financial failure or default of joint venture partners, contractors or service providers; competition risks; economic and market conditions; and other risks and uncertainties described elsewhere in this news release and elsewhere in the Company's public disclosure record.

Although the forward-looking statements contained in this news release are based upon assumptions which the Company believes to be reasonable, the Company cannot assure investors that actual results will be consistent with these forward-looking statements. With respect to forward-looking statements contained in this news release, the Company has made assumptions regarding: receipt of all regulatory approvals; the risks related to the use of proceeds from the Placement; market volatility; negative effects of dilution on the market price of the Company's ordinary shares; the ability to obtain permits for operations; sovereign risks associated with the Company's foreign operations; the risks related to political instability and expropriation; the uncertainty of the economic viability and estimation of mineral resources; the future price of minerals, including gold, copper, and silver; success of the exploration activities and the specifications, targets, results, analyses, interpretations, benefits, costs and timing of them; currency exchange rate fluctuations; prospects, projections and success of the Company and its projects; assumptions, limitations and qualifications in the Costa Fuego technical report; the timing and ability of the Company to receive necessary regulatory approvals; environmental risks; labour and employment risks; planned exploration programs and expenditures; current conditions and expected future developments; current information available to the management of the Company; the general business and prospects of the Company, as well as other considerations that are believed to be appropriate in the circumstances. The Company has included the above summary of assumptions and risks related to forward-looking information provided in this news release to provide investors with a more complete perspective on the Company's future operations, and such information may not be appropriate for other purposes. The Company's actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward-looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits the Company will derive therefrom.

For additional information with respect to these and other factors and assumptions underlying the forward-looking statements made herein, please refer to the public disclosure record of the Company, including the Company's most recent Annual Report, which is available on SEDAR+ (www.sedarplus.ca) under the Company's issuer profile. New factors emerge from time to time, and it is not possible for management to predict all those factors or to assess in advance the impact of

each such factor on the Company's business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statement.

The forward-looking statements contained in this news release are expressly qualified by the foregoing cautionary statements and are made as of the date of this news release. Except as may be required by applicable securities laws, the Company does not undertake any obligation to publicly update or revise any forward-looking statement to reflect events or circumstances after the date of this news release or to reflect the occurrence of unanticipated events, whether as a result of new information, future events or results, or otherwise. Investors should read this entire news release and consult their own professional advisors to ascertain and assess the income tax and legal risks and other aspects of an investment in the Company.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release. No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein.
