## Chairman's Letter

---

10 May 2024

Dear Eligible Shareholder,

### Hot Chili Limited Share Purchase Plan

On 6 May 2024, Hot Chili Limited (ACN 130 955 725) (**Hot Chili** or **Company**) announced that it would undertake a share purchase plan to raise up to \$5,000,000 (**SPP**).

On behalf of the Board, I am pleased to offer you the opportunity to participate in the SPP (**SPP Offer**). The SPP allows you to apply to purchase up to \$30,000 worth of Shares (**New Shares**) (subject to scale back at the Company's absolute discretion) at a subscription price of \$1.00 per New Share (**SPP Price**), without brokerage or other transaction costs that would normally apply to an on-market purchase of securities. The minimum application amount is \$1,000. The SPP Offer applies irrespective of the number of Shares currently held by the Eligible Shareholder.

The SPP Price of \$1.00 per New Share represents a 20% discount to the volume weighted average price (**VWAP**) of the Company's Shares on the Australian Securities Exchange (**ASX**) during the 5 trading days immediately prior to the date on which the SPP was announced on 6 May 2024.

The SPP also provides an opportunity to any Eligible Shareholder holding an unmarketable parcel of Shares on ASX (being less than \$500 worth of Shares) to increase their holdings without incurring transaction costs.

Please give your urgent attention to this SPP Offer as it closes at 5:00pm (AWST) on Friday, 24 May 2024, unless extended.

The maximum amount to be raised under the SPP is \$5,000,000 (**Maximum Amount**), however, the Board reserves the absolute discretion to determine the final amount raised under the SPP.

The Company has been receiving increasing interest from potential strategic funding parties in its advanced Costa Fuego copper-gold development and its recently announced Water Supply Studies. This interest, in combination with a rising copper price environment, provides confidence to accelerate the Company's growth and development plans while preserving control of these assets.

Together with the proceeds from the recently announced Placement (see ASX announcement dated 6 May 2024 "Hot Chili Arranges A\$29.9 Million Funding to Accelerate Costa Fuego Copper Hub, Chile"), the proceeds will provide up to 18 months funding to be used for the completion of the Costa Fuego Pre-Feasibility Study, completion of the Water Supply Business Case Study, completion of the Costa Fuego Environmental Impact Assessment, ongoing exploration, drilling and consolidation activities, and for general working capital purposes.

The Placement and SPP aim to increase Hot Chili's trading liquidity on the TSXV, and provide all shareholders with access to the same offer price. The Placement and SPP will also maintain the Company's strategic funding optionality, while ensuring Costa Fuego remains one of a limited number of globally significant copper developments, not owned by a major mining company, that could deliver meaningful new copper supply this decade.

Participation in the SPP is optional and is open exclusively to Eligible Shareholders, being shareholders in Australia or New Zealand who were holders of Shares on the ASX at 5:00pm (AWST) on 3 May 2024 (**Record Date**).

The offer of New Shares under this SPP is made in accordance with *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act.

### Important information regarding potential Scale-Back in the SPP

The SPP is intended to raise up to the Maximum Amount and entitles Eligible Shareholders, irrespective of the size of their holding, to purchase up to \$30,000 worth of New Shares. If subscriptions received by the Company under the SPP exceed the Maximum Amount, or such other amount determined by the Directors, the Company may elect to scale back the maximum number of New Shares issued to each Eligible Shareholder to the extent and in the manner that it sees fit in its absolute discretion (**Scale-Back**).

You may be allocated New Shares to a value which is significantly less than the parcel which you applied for, and the difference will be refunded to you without any interest.

The Company may Scale-Back the maximum number of New Shares issued to each Eligible Shareholder at its absolute discretion. The Company may take into consideration the size of an Applicant's holding when determining the amount of any potential Scale-Back and therefore the extent of the Scale-Back may differ between applications.

Eligible Shareholders should keep this potential Scale-Back in mind when deciding how much to apply for under the SPP.

#### How to apply

## Other SPP Terms

### Important Notice

If you apply to participate in the SPP, you should be aware, and accept the risk, that the market price of Shares may change between the date of the Offer Document Date and the date when the New Shares are issued under the SPP Offer. As such, it is possible that, up to or after the date you receive New Shares under the SPP, you may be able to buy Shares on the ASX at a lower price than under the SPP. We encourage you to seek your own professional advice regarding your participation in the SPP.

By submitting your payment for New Shares under the SPP via BPAY®, you certify and represent to the Company that the total of the SPP Price for New Shares under current and previous plan purchases (as that term is defined below) is not more than \$30,000.

### 1. Application

The terms of the SPP set out in this Offer Document (**SPP Terms**) govern the SPP. They apply to all Applications made under the SPP Offer. Each Eligible Shareholder who submits an Application is taken to have accepted and agreed to be bound by these SPP Terms.

### 2. SPP Offer

#### 2.1 Offer

Under the SPP Offer, the Company invites each Eligible Shareholder to subscribe for up to \$30,000 of New Shares at an issue price of \$1.00 per New Share under the Share Purchase Plan.

The SPP Offer is made in:

- Australia under the SPP Instrument; and
- New Zealand under the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2021* (NZ).

#### 2.2 Number of New Shares Offered

An Eligible Shareholder wishing to participate in the SPP Offer must apply for a minimum of \$1,000 of New Shares (i.e. 1000 New Shares), up to a maximum of \$30,000 (or 30,000 New Shares), as follows:

Option	Value	Number of New Shares
A	\$1,000	1,000
B	\$2,000	2,000
C	\$5,000	5,000
D	\$10,000	10,000
E	\$15,000	15,000
F	\$20,000	20,000
G	\$25,000	25,000
H	\$30,000	30,000

You can only choose one of the eight parcels.

### 2.3 **Terms of New Shares**

All New Shares issued pursuant to the SPP Offer will be issued as fully paid and will rank equally in all respects with the Existing Shares on issue.

### 2.4 **Oversubscriptions**

Subject to obtaining all necessary ASX and other approvals, the Board reserves the right to accept oversubscriptions under the SPP Offer, at its absolute discretion.

### 2.5 **Allocation and Scale-Back**

The Board reserves the right to scale-back any Application, at its absolute discretion.

If the Company receives Applications in excess of the total amount of the SPP Offer (i.e. oversubscriptions), then unless the Board determines to accept some of those oversubscriptions, all Applications will be scaled-back to the extent and in the manner that the Company sees fit in its absolute discretion (**Scale-Back**) having regard to the number of Shares applied for by the Applicant (or, in the case of an Application made by a Custodian, the relevant Beneficiary).

In determining the amount an application will be scaled back, the Company will consider (without limitation) the following factors:

- the size of the Applicant's shareholding;
- the extent to which the Eligible Shareholders have sold or bought additional Shares after the Record Date; and
- the date an Application was made.

Any entitlement to a fraction of a New Share will be rounded down to the nearest whole number of Shares. The Company may retain any difference in the Application Moneys as a result of such rounding.

The Company cannot guarantee that all Applicants will receive the number of New Shares applied for under the SPP Offer. If an Eligible Shareholder does not receive any or all of the New Shares applied for, the excess Application Moneys will be refunded to the Eligible Shareholder without interest.

The Company will only issue New Shares to an Applicant where the Directors are satisfied, in their sole discretion, that the issue of the New Shares will not result in a person's (whether or not the Applicant) voting power exceeding any applicable restriction under section 606 of the Corporations Act.

### 2.6 **Maximum Applications**

In accordance with the maximum amount prescribed by ASIC under the SPP Instrument, Eligible Shareholders may only pay up to \$30,000 to subscribe for New Shares under the SPP in any 12-month period.

This maximum amount applies irrespective of the number of Shares held by a Shareholder on the Record Date or whether the Shareholder holds Shares in multiple accounts or capacities.

Shareholders must certify in their Application for New Shares that the aggregate application amount of all applications under the SPP, together with any other Shares acquired by the Shareholder (or acquired on the Shareholder's behalf) under the SPP or any similar Company share purchase plan in the previous 12 months, does not exceed \$30,000.

### 2.7 **Participation**

Participation in the SPP is optional (subject to meeting the eligibility criteria outlined in Section 3) and the offer to acquire New Shares is not a recommendation by the Company.

Shareholders who are unsure whether they should participate in the SPP or how participation will affect them should contact a professional advisor.

## 2.8 Participation costs

Shareholders must pay the SPP Price per Share and any fees or charges incurred in paying the SPP Price (for example, bank fees or fees of professional advisors). No transfer or stamp duty or brokerage, commission or other participation costs are payable by Shareholders in respect of the acquisition of New Shares under the SPP.

## 2.9 Non-renounceable

An Eligible Shareholder's right to participate in the SPP is not renounceable and cannot be assigned to any third party.

## 2.10 Timetable

The indicative timetable for the SPP Offer is set out on page 2 of this Offer Document. The Company may extend the Offer Period, close the Offer Period early, or otherwise vary the timetable for the SPP Offer at any time. Any change to the timetable will be notified by way of announcement on the ASX and on the Company's website.

## 2.11 Withdrawal of SPP Offer

The Company reserves the right to withdraw the SPP Offer at any time before New Shares are issued pursuant to it. In that event, relevant Application Moneys will be refunded without interest in accordance with the Corporations Act.

# 3. Eligibility

## 3.1 Eligible Shareholders

The SPP Offer is made to Eligible Shareholders only.

All Shareholders with a registered address in Australia or New Zealand and who were registered as a holder of Shares on the ASX at the Record Date of **5:00pm (AWST) on Friday, 3 May 2024** are Eligible Shareholders (except where a Shareholder holds Shares on behalf of another person who resides outside of Australia or New Zealand) and entitled to participate in the SPP Offer. The SPP Offer is not extended to Shareholders who do not meet this criteria.

The Directors have determined that it is either not lawful or not practical for Shareholders in jurisdictions outside of Australia and New Zealand to participate in the SPP.

The Company reserves the right (in its sole discretion) to:

- (a) reject any Application that it believes comes from a person who is not an Eligible Shareholder; and
- (b) reduce the number of New Shares allocated to Eligible Shareholders, or persons claiming to be Eligible Shareholders, if their claim to be entitled to participate in the SPP Offer proves to be false, exaggerated or unsubstantiated.

## 3.2 Eligible Shareholders outside of Australia

### ***Important information for New Zealand investors***

The New Shares are not being offered or sold to the public within New Zealand other than to existing members of the Company with registered addresses in New Zealand to whom the offer of the Shares is being made in reliance on the *Financial Markets Conduct Act 2013* and the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2016*.

This document has not been registered, filed with or approved by any New Zealand regulatory authority. This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

### 3.3 Joint holders

Shareholders who are joint holders of Shares are taken to be a single registered Shareholder for the purposes of the SPP and the certification in the Application Form by any joint holder is taken to have been given by all joint holders. An Eligible Shareholder who receives more than one invitation to participate in the SPP Offer (e.g. if the Eligible Shareholder holds Shares in more than one capacity) may not apply for New Shares:

- (a) with an aggregate value of more than \$30,000; or
- (b) which would result in the aggregate value of the New Shares applied for (including through a Custodian (see Section 4)) under the SPP and any similar arrangement in the last 12 months being more than \$30,000.

### 3.4 Trustees and Nominees

If a Shareholder holds Shares as a trustee or nominee for another person but is not a Custodian as defined in Section 4.1, the beneficiaries for whom they hold Shares will be taken to be the registered holder of those Shares. Any application by the trustee or nominee will be taken to be an Application by the beneficiary.

Trustees and nominees may not participate in the SPP on behalf of beneficial shareholders located outside Australia and New Zealand.

### 3.5 SPP Instrument compliance

A registered holder of Shares will be ineligible to participate in the SPP if their participation would be in breach of the SPP Instrument.

## 4. Custodians

### 4.1 Determination of Custodian

A Shareholder is a Custodian if they provide a custodial or depository service in relation to Shares and:

- (a) hold an Australian financial services licence covering the provision of a custodial or depository service;
- (b) are exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- (c) hold an Australian financial services licence covering the operation of an IDPS or is a responsible entity of an IDPS-like scheme;
- (d) are a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (e) are a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If a Shareholder holds Shares as a trustee or nominee for another person but is not a Custodian as defined above, that Shareholder cannot participate in the SPP for beneficiaries for whom they hold Shares in the manner described above. In such instance, the rules for multiple single holdings (above) apply.

### 4.2 Application by Custodian

An Eligible Shareholder who holds Shares as a Custodian (see Section 4.1) for one or more persons on the Record Date (**Beneficiaries**) may apply for up to the maximum number of New Shares under the SPP Offer for each Beneficiary for whom the Custodian holds Shares.

The Custodian must annex a Custodian Certificate to their Application Form confirming the following information:

## 5. Applying for New Shares

### 5.1 Making an Application

An Eligible Shareholder that would like to participate in the SPP and apply for New Shares under the SPP Offer must complete the Application Form located at the offer website link located at the offer website link [www.computersharecas.com.au/hchspoffer](http://www.computersharecas.com.au/hchspoffer); or, if applicable, pay their Application Moneys using BPAY®. The Application Form forms part of this Offer Document for the purposes of the SPP Offer.

Applications may be for a minimum of 1,000 New Shares for a total of \$1,000, and up to a maximum of 30,000 New Shares for a total of \$30,000.

If an Application is not submitted correctly or if the accompanying payment is for an incorrect amount, it may be treated by the Company as valid at the Directors' discretion.

The Directors' decision as to whether to treat such an Application as valid and how to construe, amend or complete the Application Form is final. However, an Applicant will not be treated as having applied for more New Shares than is indicated by the amount of Application Money.

If the exact Application Moneys applicable to an Application are not tendered in connection with an Application Form, the Company reserves the right to either:

- (a) refund the Application Moneys received (by cheque or electronic funds transfer as soon as possible, without interest), and not issue any New Shares to the Applicant; or
- (b) issue to the Applicant the maximum number of New Shares represented by the Application Moneys received, and refund any excess amount to that Applicant by cheque or electronic funds transfer as soon as possible, without interest.

The Company reserves the right to accept a lesser amount to the total number of New Shares applied for by an Applicant (including if the SPP Offer closes oversubscribed), at the Directors' complete discretion.

By making an Application under the SPP Offer, the Applicant makes each of the acknowledgements set out in Section 6 below.

## 5.2 Applications by BPAY®

Eligible Shareholders who wish to pay their Application Moneys using BPAY® should follow the instructions on the Application Form which includes including the 'Biller Code' and the Eligible Shareholder's individual 'Customer Reference Number' located at the offer website link [www.computersharecas.com.au/hchspoffer](http://www.computersharecas.com.au/hchspoffer);

Eligible Shareholders can only make payment using BPAY® if they have an account with an Australian financial institution that supports such transactions.

Eligible Shareholders must ensure to use the specific 'Biller Code' and 'Customer Reference Number' on their individual Application. An Application may not be accepted if these details are incorrect. The 'Customer Reference Number' is used to identify each Eligible Shareholder's holding.

Eligible Shareholders with more than one holding of Shares may receive multiple 'Customer Reference Numbers'. Such Eligible Shareholders can apply under one or more of their holdings, provided their Applications do not exceed 30,000 New Shares or \$30,000 in aggregate.

Payments must be made in Australian dollars for an amount equal to the number of New Shares for which the Eligible Shareholder wishes to apply, multiplied by the SPP Price (i.e. \$1.00 per New Share).

BPAY® payments of Application Moneys must be received before **5:00pm (AWST) on the Closing Date**.

Eligible Shareholders should take into account, when applying for New Shares, that their individual financial institutions may implement earlier cut-off times for BPAY® payments. It is an Eligible Shareholder's responsibility to ensure that the Application Moneys are received before the Closing Date.

## 5.3 Application Moneys to be held in trust

Application Money will be held by the Company in trust in accordance with the requirements of the Corporations Act until the New Shares to which the Application Money pertains are issued under the SPP Offer, or a refund of Application Money occurs in the circumstances described in this Offer Document.
